A MESSAGE TO THE CLASS OF '37

In the course of our sojourn here at the Teachers College, the faculty and administration has endeavored to instill in us a working understanding of the distinction which constitutes a person, embodied in that all-important word, Personality.

Regardless of a teacher's nationality, religious and political beliefs, there are three persistent qualities in a teacher's personality which have been, are, and always will be emphasized:

A teacher must be well at home in his or her branch of teaching.

A teacher must have patience with the individual pupil as well as with the whole class.

A teacher must know the technique of teaching his or her subject.

Through the efforts of our faculty, while at school, and our efforts while at practice, I deeply believe we have obtained these personality qualifications.

What are the characteristics of a good teacher?

In the broadest sense of the word every man and every kind of environment is an educator, because man has an influence upon his environment and the environment has an influence upon the man.

What is an educator?

He or she who works consciously upon a plan on lifting up the values in other people, especially in children and youth.

The most important item in Education is the relationship which exists between pupils and teachers. It is not enough to know the cross section in a child's development according to age, but we must apply all modern studies dealing with the child in such a way that we may help him in his immediate needs which he faces in daily school routine. We must seek, for example, to what mental type a child belongs. It is a fact that the power of visualization is necessary for achievements in arts, in the natural sciences, and in mathematics. It is true that auditory images are all important for music and English. Surely motor images are indispensable in drawing and modelling, in Industrial Arts, and in all feats of Skill. In facing a group of pupils in a class we meet all kinds of mental types. And in order to reach them all alike we as the teacher should apply the principles which we have learned at this college, that of multiple sense appeal.

As we depart from these portals to engage in our chosen life's work, that of instilling fundamental knowledges, good habits, skills, and legion of other educational experiences remember the words of that great philosopher, Count Tolstoy, in his book "Resurrection". "One of the first widespread superstitions is that every man has his own special, definite qualities; that man is kind, cruel, wise, stupid, energetic, apathetic, etc. Men are not like that. We may say of a man that he is more often kind than cruel, oftener wise than stupid, oftener energetic than apathetic, etc. or the reverse; but it would be false to say of one man that he is kind and wise, of another that he is wicked and foolish. And yet we classify mankind in this way. And that is untrue. Men are like rivers; the water is the same in each, and like in all; but every river is narrow here, is more rapid there, here slower, there broader, now clear, now cold, now dull, now warm. It is the same with men. Every man carries in himself the germs of every human quality, and sometimes one manifests itself, sometimes another, and the man often becomes unlike himself, while still remaining the same man."

Let us strive, classmates, at the beginning of our careers, to be both artists and scholars, constantly applying ourselves and studying.

PAUL A. MEISTER.

EXECUTIVE BOARD

President.....Frank X. Birkner
Vice President.....John W. Cloves
Recording Secretary.....Gertrude Fischer
Corresponding Secretary.....Doris Berman
Treasurer.....Perry Zimmerman
Assistant Treasurer.....Mary Bass
Faculty Members.....Dr. M. E. Townsend
Miss Bertha Kain

The executive board consists of a group of six officers elected by a popular vote of the student body together with the president of the college, Dr. M. E. Townsend, and the dean, Miss Bertha Kain.

The board reviews all matters brought before it by the student council, constitutes the finance committee of the school, and is in general responsible for the conduct of organization meetings.

Typical matters disposed of during the year 1936-1937 were: Outline of the year's policy student loans, major purchases, preparation for conferences, student relationships, and budget appropriations.

STUDENT COUNCIL

The legislative body of the State Teachers College at Newark is the Student Council. It is composed of elected members from the clubs and classes.

During the past year, the Council has devoted the greater part of its energy to the forming and adopting of a new constitution. This has been accepted and will be put into effect in September, 1937.

Prominent dates on the calendar of the Council included the annual tea given for the Council at the home of Dr. and Mrs. Townsend, the Eastern States Teachers Conference to which the members of the Council are sent as official representatives, and the entertaining of the Towson State Teachers College students—following the conference.

The Student Council exists for the student. It is his method of voicing his likes in the matter of student government. It is therefore his duty as well as his privilege to know what the Council is doing, to criticize it, and to support it.

President.....Frederic Lavenburg
Vice President.....Arthur Wenzel

Treasurer.....Leon Kvedar

JUNIOR CLASS

This year, the third one of their stay here at Newark, was marked with many events, the saddest being the losing of their president, S. Arthur Goldberger.

The affair that signified the nearness of the close of their college life was the Junior Prom, held at the Glen Ridge Women's Club on March 5th. It was an evening that will linger long as a happy memory in the hearts of those who attended. The success of this event was due largely to the able assistance rendered by the committee.

The Spring Dance, held in the college gymnasium, was a grand and fitting climax to their junior year.

SOPHOMORE CLASS

The thought that was uppermost in the minds of the Sophomore Class last September was to welcome the incoming freshmen. With the guidance and kind help of the adviser, Miss Wilson, they were able to give a most successful party to the Frosh on October 9, 1936 in the gymnasium. The Freshmen were discovered to be a very congenial group. Entertainment was provided for by members of the class of '39.

The gymnasium was the scene of the class dance on December 11, 1936. The music was furnished by the school's own "Swing Band". It was declared the best afternoon function of its kind.

In February, the second year students lost their good friend and adviser, Miss Wilson, through retirement. Much of their success was due to her kind assistance and cooperation. They are indeed grateful to her.

Under the able guidance of Miss Ac'on, the new adviser, their remaining social affairs, particularly the dance held in April, were successful.

FRESHMAN CLASS

It did not take the Freshmen who entered Newark State Teachers College in the fall of 1936 long to get acquainted and into "the swing of things". They immediately had an opportunity to meet the faculty and a chance to know their counsellors during the first week of classes at a tea given on the north terrace of the school.

The Sophomores soon were at hand to usher them in with the annual Frosh-Soph Dance, held on October 9, 1936, which also contributed much to make them feel at home.

In the course of the year other functions followed, one of which was the much enjoyed Freshman Tea so graciously given by Dr. and Mrs. Townsend at their home in Glen Ridge on November 22, 1936. On this occasion Mrs. MacMurray, Mrs. Zweidinger, and Mrs. Bruce poured.

Here's to the group which has made a grand start, the class of 1940! Their leaders are:

President.....	Robert Harris
Vice President.....	Mae Rives

KENDALL SOCIETY

President.....Paul Meister
Vice-President...Louisa Rasmussen
Recording Secretary.....Doris May
Corresponding Sec.....Agnes Greely
Treasurer.....Frank Birkner

The Kendall Society is the honorary educational fraternity of the New Jersey State Teachers College at Newark. It is composed of members of the faculty who are already members of Kappa Delta Pi, the national honorary educational fraternity, and students who in scholarship and personality are deemed worthy of membership. The Society is now petitioning for incorporation into Kappa Delta Pi.

The Kendall Society takes its name from Calvin Kendall, first Commissioner of Education in New Jersey. This society aims to carry on the ideals of truth, loyalty, and service which Mr. Kendall exemplified. It hopes to become a moving force in advancing the status of education. During the past year, the Society has made its first efforts along this line by bringing before its members, authorities in the educational world.

EPSILON PI TAU

President.....Arthur Von der Linden
Vice-President.....Charles M. Jochem
Secretary-Treasurer.....Leon Kvedar
Sponsor.....Mr. John J. Hatch

The installation of the first national Greek letter Fraternity at Newark State Teachers College, namely, the Omicron Chapter of Epsilon Pi Tau, the National Honorary-Professional Fraternity, in Industrial Arts and Industrial-Vocational Education, was held, Saturday, December 12, 1936 at the Essex House, Newark. Forty-five undergraduates and graduate students were initiated to charter membership by National Officers.

The main purpose of Epsilon Pi Tau is research. Therefore, the meetings of the Omicron Chapter have been devoted to the completion of various problems in the industrial arts field.

The ideals of the fraternity are to recognize the place of "Texnikh-Skill" in Industrial Arts and Vocational-Industrial Education; to promote "Pragmateia-Sociability" and to foster, counsel, reward, publish, and circulate the results of "Exetasis-Research" effort in the fields of interest. A candidate for this fraternity must be in the upper quartile of his class, must be a skilled workman, and must be active socially.

JUNIOR LEAGUE OF WOMEN VOTERS

This organization was formed only last November but has gained in membership rapidly.

Very interesting speakers enliven the meetings by their talks on pressing government problems and various civic policies are considered.

LIBRARY COUNCIL

President.....Arthur Wenzel
Vice President.....George Bizlewicz
Secretary.....Grace Almond
Treasurer.....Vincent Sarnowski

Absolute efficiency is necessary for the success of the college library. The Library Council and its members aid the library through their whole-hearted cooperation and unselfish service.

Since efficiency is so essential, membership in this organization is limited to those individuals who show unusual capability in library work. Although the group does not stress the practical value of membership in the Library Council, it cannot fail to appreciate the fact that knowledge and experience gained within our walls is helpful in future work.

But Library Council members are not bookworms either. They sponsor several outstanding, traditional social events as well as impromptu teas and musicals.

Actually the Library Council is a large cooperative body which aids other clubs, faculty members, and students in arranging exhibits and programs, as well as informs them of interesting outside entertainments and lectures.

PSYCHOLOGY CLUB

President.....Lillian Payton
Vice President.....Elouise Collier
Secretary.....Evelyn Watson
Treasurer.....Miriam Sermayan
Faculty Adviser.....Miss Marcia Baldwin

The Psychology Club has delved into many interesting fields in its study this year. During the first term the psychological problem of juvenile delinquency was the major subject. The adviser, Miss Baldwin, gave many interesting lectures on this topic. These were followed by profitable discussions. In the second term the club members gathered material and experiences for their spring exhibit and considered the field of curative psychology.

Many interesting trips to different institutions were taken to help the club with its work.

HANDCRAFT CLUB

President.....Thelma Swenson
Vice President.....Carolyn Byrd
Secretary.....Florence Lodge
Treasurer.....Mildred Kramer
Faculty Adviser.....Miss Lillian Acton

You guessed it! That group of ambitious looking girls in room 35 on Monday afternoons is the newly formed Handcraft Club. Under the able guidance of their adviser, Miss Lillian Acton, they have already contributed their services to this college. You say how? Did you see those striking Christmas decorations for the luncheon? That's their work—and they've only started.

Their club meetings consist of speakers and demonstrators of various crafts as well as the actual working of their projects. Some of the articles made this year were baskets made with crepe paper pottery, woven purses and scarfs, some wood work and metal work.

In all their activities they are attempting to guide their members in the use of handcraft projects for future use.

CAMERA CLUB

President.....Harper Pearce
First Vice-President.....Frederick Christoffel
Second Vice President.....Helen Palmieri
Secretary.....Jane Slater
Treasurer.....Eleanor Webster
Faculty Adviser.....Mr. Fred Richmond

Things have taken a brighter aspect for the Camera Club this year under the able guidance of Mr. Richmond. Trips behind the scenes in New York Theaters have shown what really goes on to entertain the public.

At present their goal is to film an active day at Newark State Teachers College. What more could you want? There is plenty of interesting work and something to show in the way of accomplishments—all this is to the advantage of all members.

In our own college, probably unbeknown to many of you, is a dark room for use of all members to develop and print their own pictures.

MARIONETTE GUILD

Master Craftsman.....LeRoy Bohsen
Scribe.....Rosalie Pollock
Treasurer.....Herbert Bæhr
Faculty Adviser.....Miss Lillian Acton

The Marionette Guild, under the supervision of Miss Acton, worked successfully during another eventful year. The construction of a professional marionette stage which is to become the property of the college so that it will be accessible to all teachers, ranks uppermost in the year's accomplishments of the guild.

"Hansel and Gretel" was prepared by the group and used in connection with the guild's social service work.

In order to gain an insight into the professional field of marionettes, the members of the guild had the pleasure of visiting one of the leading puppeteers in this vicinity in the spring.

Among the social activities was a "Twelfth Night" party held at the home of the former adviser, Miss Alice Mihleis.

ART CLUB

President.....Carolyn Lowe
Vice President.....Robert Scott
Secretary.....Emily Manganelli
Treasurer.....Miriam Epstein
Faculty AdviserMiss Frances Mitchell

It is the aim of the Art Club to have its members develop an appreciation of the beautiful and also make the other students of the college aware of the many artistic possibilities around us. The Night-Life group is a branch of the regular art club. Those students interested in drawing from life are given the opportunity to do so at the Friday evening session of the Night-Life group.

The activities of the club for this year have included: the sale of Christmas cards, the Christmas Pageant, the decoration of the gym for college affairs, and the presentation of the annual Art Club program in assembly.

NEEDLES AND STITCHES CLUB

President.....Golda Walters
Vice President.....Phyllis Manno
Secretary.....Margaret Hughes
Faculty Adviser.....Miss Alice Rice

Did you say that you wanted to crochet, knit, tat, embroider, or sew? Or are you accomplished in these arts and would like more time for them? The Needles and Stitches Club is the answer to your problem. Here you have one hour a week set aside when you will not be disturbed and can work to your heart's content.

Some of the members are embroidering a set of curtains for the Teachers' Rest Room. For the Christmas Season each year every club member makes a toy or some article of clothing to be distributed among the kiddies in some hospital or nursery.

Thanks to the guidance of Miss Rice the club is progressing very well.

NU LAMBDA KAPPA

President.....Perry Zimmerman
Vice President.....John Markowitz
Secretary.....Carolyn Byrd
Treasurer.....Florence Hecht
Faculty Adviser
Mrs. Lenore Vaughn-Eames

The primary purpose of this literary organization is to foster and encourage creative work among its members and students of the college. They have carried out this purpose in publishing a booklet of poetry, entitled, "At Random". This publication included the works of former as well as present members.

Among their many services to the college, they have sponsored, with the Library Council, a speaker well known in the field of literature and in science, Mr. W. Maxwell Reed.

They issue the "Scroll", the literary magazine of the college, through which the students outside of the club have the opportunity to develop their creative abilities. The Scroll Staff consists of:

Editor-in-chief.....John Markowitz
Editor.....Miriam Fitzgerald
Business Manager.....Carolyn Byrd

WOODWARD SCIENCE CLUB

President.....Emil Petach
Vice President.....Alfred Shargel
Corresponding Secretary.....Barbara Walter
Secretary and Treasurer.....Kathryn Hallas
Faculty Advisers.....Mr. Guy V. Bruce
 Mr. James MacMurray
 Mr. James Kezer

The Woodward Science Club has had another successful year in endeavoring to increase the general knowledge of the members in the fields of chemistry, physical science, and biology.

What makes everyone in Room 25 on Fridays at 11:00 o'clock look so interested? It's those startling experiments, those fascinating reports of some research projects, and last but not least those unusual speakers. This club also takes trips to various places of scientific interest.

This year a new biological division of the club was formed with special interests in ascertaining animal and plant life in this vicinity by means of reports and field trips.

INTERNATIONAL RELATIONS CLUB

President.....Rita Hoffmeister
Vice President.....Barbara Walters
Recording Sec.....Grace Almond
Corresponding Sec.....Cecilia Marco
Treasurer.....Carmen Rando
Faculty Adviser Miss Luella Seager

The International Relations Club meets every Thursday at 3:00 P. M. in room 27 with the purpose of enlightening its members on international affairs in government and politics. They do not attempt to reach any conclusions, but try to challenge the minds of its members and arouse thought and discussion that ordinarily would not come up in a regular class meeting. They also try to develop the student's powers of expression and leadership.

Their purpose is carried out by student speakers who are followed by club discussion. Some of the topics covered this year were: the Pan-American Peace Conference, The Characteristics and customs of the South American people, and the Spanish situation.

SOCIAL STUDIES ACTIVITY CLUB

President.....	Dorothy Edmunds
Vice President.....	Florence Lodge
Secretary.....	Grace Bellina
Corresponding Secretary.....	Iris Husband
Treasurer.....	Millicent Cottler
Faculty Advisers.....	Miss Maude Barber Miss Marjorie Flaacke

The Social Studies Activity Club this year as in previous years attempted to give its members some practical experience for classroom projects. Their choice for study this year was the Hawaiian Islands. In spite of their full active program, they found time to sponsor a sale of articles made by the mountaineers of Kentucky and a lecture by Captain Killroy Harris.

This club also has a varied social calendar with its informal parties and formal teas.

FORUM CLUB

President.....Leon Miller
Vice President.....John Di Salvo
Secretary.....Doris Bolton
Treasurer.....Meyer Suchow
Alumni Secretary.....Evelyn Cooperman
Faculty Adviser.....Mr. John French

The Forum Club functions as an organization to provide a place where students can freely discuss any phase of activity—social, political, or cultural—concerned with school or outside life. It tries to bring about a fuller life by impressing upon the student body the importance of youth in our civilization and by urging them to exercise to the fullest degree their influence in their school and community.

One of the most outstanding meetings was the demonstration of voting given by two of the authorities at an open meeting.

During the next year they hope to continue and if possible increase the scope of their activities by increasing the number of outside speakers to bring the students closer to the community.

DANCE ORCHESTRA

The Dance Orchestra is an organization directed and supported by the students within the Orchestra. Although this is the first year that the orchestra has gained recognition, it has had a very complete and successful one.

For its financial support the orchestra played at afternoon dances in the gym and at various school functions.

The orchestra willingly responded to the school's call for music on many occasions; Patrons Night, Pep meetings, and Assembly programs.

The orchestra consists of twelve members; Leader and director, Albert Pennino; Secretary and drummer, Achilles D'Amico; Librarian and trumpeter, Harvey Bowne, and nine other musicians.

NORMS THEATRE GUILD

President.....Mildred Pomponio
Vice President.....Elise Place
Recording Secretary.....Mina Schoeppe
Corresponding Secretary.....Mary Dylag
Treasurer.....Jerome Levitt
Faculty Advisers....Mrs. Lenore Vaughn-Eames
Miss Sybil Browne

The Norms Theatre Guild aims to develop dramatic ability in all phases of the theatre by giving opportunity for self-expression in acting, staging, costuming, and in scenic design; to create and maintain interest in amateur productions; to study modern drama and build a permanent appreciation of good drama by increasing the dramatic horizon and range of its members; to provide wholesome use of leisure time.

The activities of this club covered a large and varied program, ranging from reviewing plays on Broadway to putting on their own productions.

Their productions consisted of "Murder in Hollywood" and the Christmas pageant given in Assembly, and the historic pageant depicting the development of the prevention and cure of Tuberculosis for the New Jersey Tuberculosis League.

MIXED CHORUS AND MADRIGAL CLUB

President Robert Minchen
Vice-President Lydia Tallmadge
Secretary Carolyn Hance
Treasurer John Markowitz
Faculty Advisers Miss Frances Dunning
Miss Laura Rogers

This club underwent a reorganization this year, now being one club instead of two. Under the direction of Miss Frances Dunning and Miss Laura Rogers, they have had a very successful musical year in entertaining their college and community.

The Thanksgiving Program; Christmas Program and Patrons' Night would not be complete without their assistance. They had the honor of an invitation to sing for the Newark Clubs. The annual Spring Concert and Musical Organizations' Assembly is enriched by their participation.

This club is also composed of good listeners as well as singers. Each year they attend several concerts as groups and as individuals.

Another successful year has passed for the Glee Club under the able direction of Miss Dunning and Miss Rogers. Again the members have entertained their friends of the student body and the community by their delightful programs of songs.

DANCE STUDY CLUB

President Geraldine Heatherman
Vice-President Jane Harahan
Treasurer Alberta Kusch
Faculty Adviser.....Mrs. Anita D'Angola

The Dance Study Club members all take active part at their meeting. Their aim is to cultivate an interest in all phases of the dance. This not only leads its members into the joy of self-creativity, but also into an increased choreography on dance forms.

The Dance Study's club hour is devoted to setting up exercises, forms of relaxation, and plastic and tap routines. With the able guidance of Mrs. D'Angola the dancing ladies are endeavoring to create a unique type of dance unit for a later production.

Its activeness is due to its unending willingness to cooperate with other activities of the College.

ATHLETIC ASSOCIATION

President Arthur Wenzel
Secretary Helen Sauer
Treasurer Phyllis Russell
Faculty Adviser Mr. J. A. D'Angola

The Athletic Association consists of five members. In addition to the officers mentioned are Vincent Sarnowski and Roy Pollino.

The work of the Association was so designed that each member took charge of a certain phase of work.

Basketball and tennis comprise the varsity sports; basketball, tennis, archery, football, baseball, golf, deck tennis, shuffle-board and badminton the intramural. All students are afforded an opportunity to participate in any of these activities sponsored by the Athletic Association.

The Washington D. C. trip, which was one of the major functions, was a marked success. In addition to a basketball game the trip offered social and educational contacts.

The A. A. also sponsored, this past year, an Intercollegiate Archery Tournament which was open to all New Jersey Teachers' Colleges and Normal Schools. Mr. D'Angola was in charge.

CHEERLEADING SQUAD

"Are you ready!—Hip—Hip"—That is how all of the cheers were begun by the small but peppy cheerleading squad of Newark State.

This year's squad was an all-veteran one, who showed their best cheerleading to a team which certainly needed them. The squad included Saul Marion, captain; Annette Savino, the brain trust; and Evelyn Cooperman, the midget. Saul, who has served since his freshman days, gave his last cheer in Washington when the team played the Wilson State Teachers' College.

To usher out that last game of the season with a grand finale there was a four-piece band consisting of D'Amico, Pennino, Bowne and Minchin.

Too much will rest upon the shoulders of the two sophomores next year. Here's hoping that someone of the stronger sex comes to their rescue.

BASKETBALL

Graduation certainly put a "crimp" in the basketball situation. The 1937 basketball team passed through a "build up" season. The team won no more than three games, losing twelve, but the students, led by the cheer leaders, were faithful supporters of the team throughout the whole season.

February 12 was the banner day. What was supposed to be an all-captain alumni team was on the short end of a one sided score.

The Wilson Teachers' College of Washington, D. C. in a home and home series came here February 19, and went back with a hard fought victory via a 22 to 16 score.

The season ended with a four day trip to Washington, D. C. where the team played the Wilson Teachers College. A squad of ten, including four freshmen, made the trip. The team was well fortified with a band of rooters but lost after a tough battle. The elusive cup again slipped away. After the game "Vinnie" Sarnowski was elected Captain for the team of 1938.

This year graduation took Captain Art Wenzel, varsity player since his freshmen days, and Frankie Romano who won his first varsity emblem.

WOMEN'S BASKETBALL CLUB

President Helen Sauer
Secretary Phyllis Russell
Treasurer Margaret O'Mara
Faculty Adviser Mrs. Anita D'Angola

The Women's Basketball Club, organized primarily for social contacts, has had a most enjoyable season. The club consisted of twenty-five girls whose love for the sport was really shown by their perfect attendance and untiring efforts to make the club a real success.

Practice for the girls from 4:00 to 5:00 P. M. on Tuesdays and Thursdays afforded them much pleasure besides enabling them to become more skilled in the tactics of competition. The girls engaged in games with Montclair Teachers' College, Upsala College, Jersey City State Teachers and the Alumni.

The club also traveled to the Trenton Teachers' College for an annual play day. There they took part in various sports including basketball, darts, table tennis, archery, and swimming. At the end of the activities the girls from various colleges were entertained by the Trenton lassies.

March 22nd was an important date. A dinner was held in the cafeteria for members of the club and the Women's Alumni Sports Club. At the conclusion of the dinner, emblems and awards were presented by Mr. Joseph D'Angola.

TENNIS

This year's team was built around Saul Marion and Vince Sarnowski. Other last year's players included Harvey Bowne, John Cloves, James Noble, and Irving Rubin.

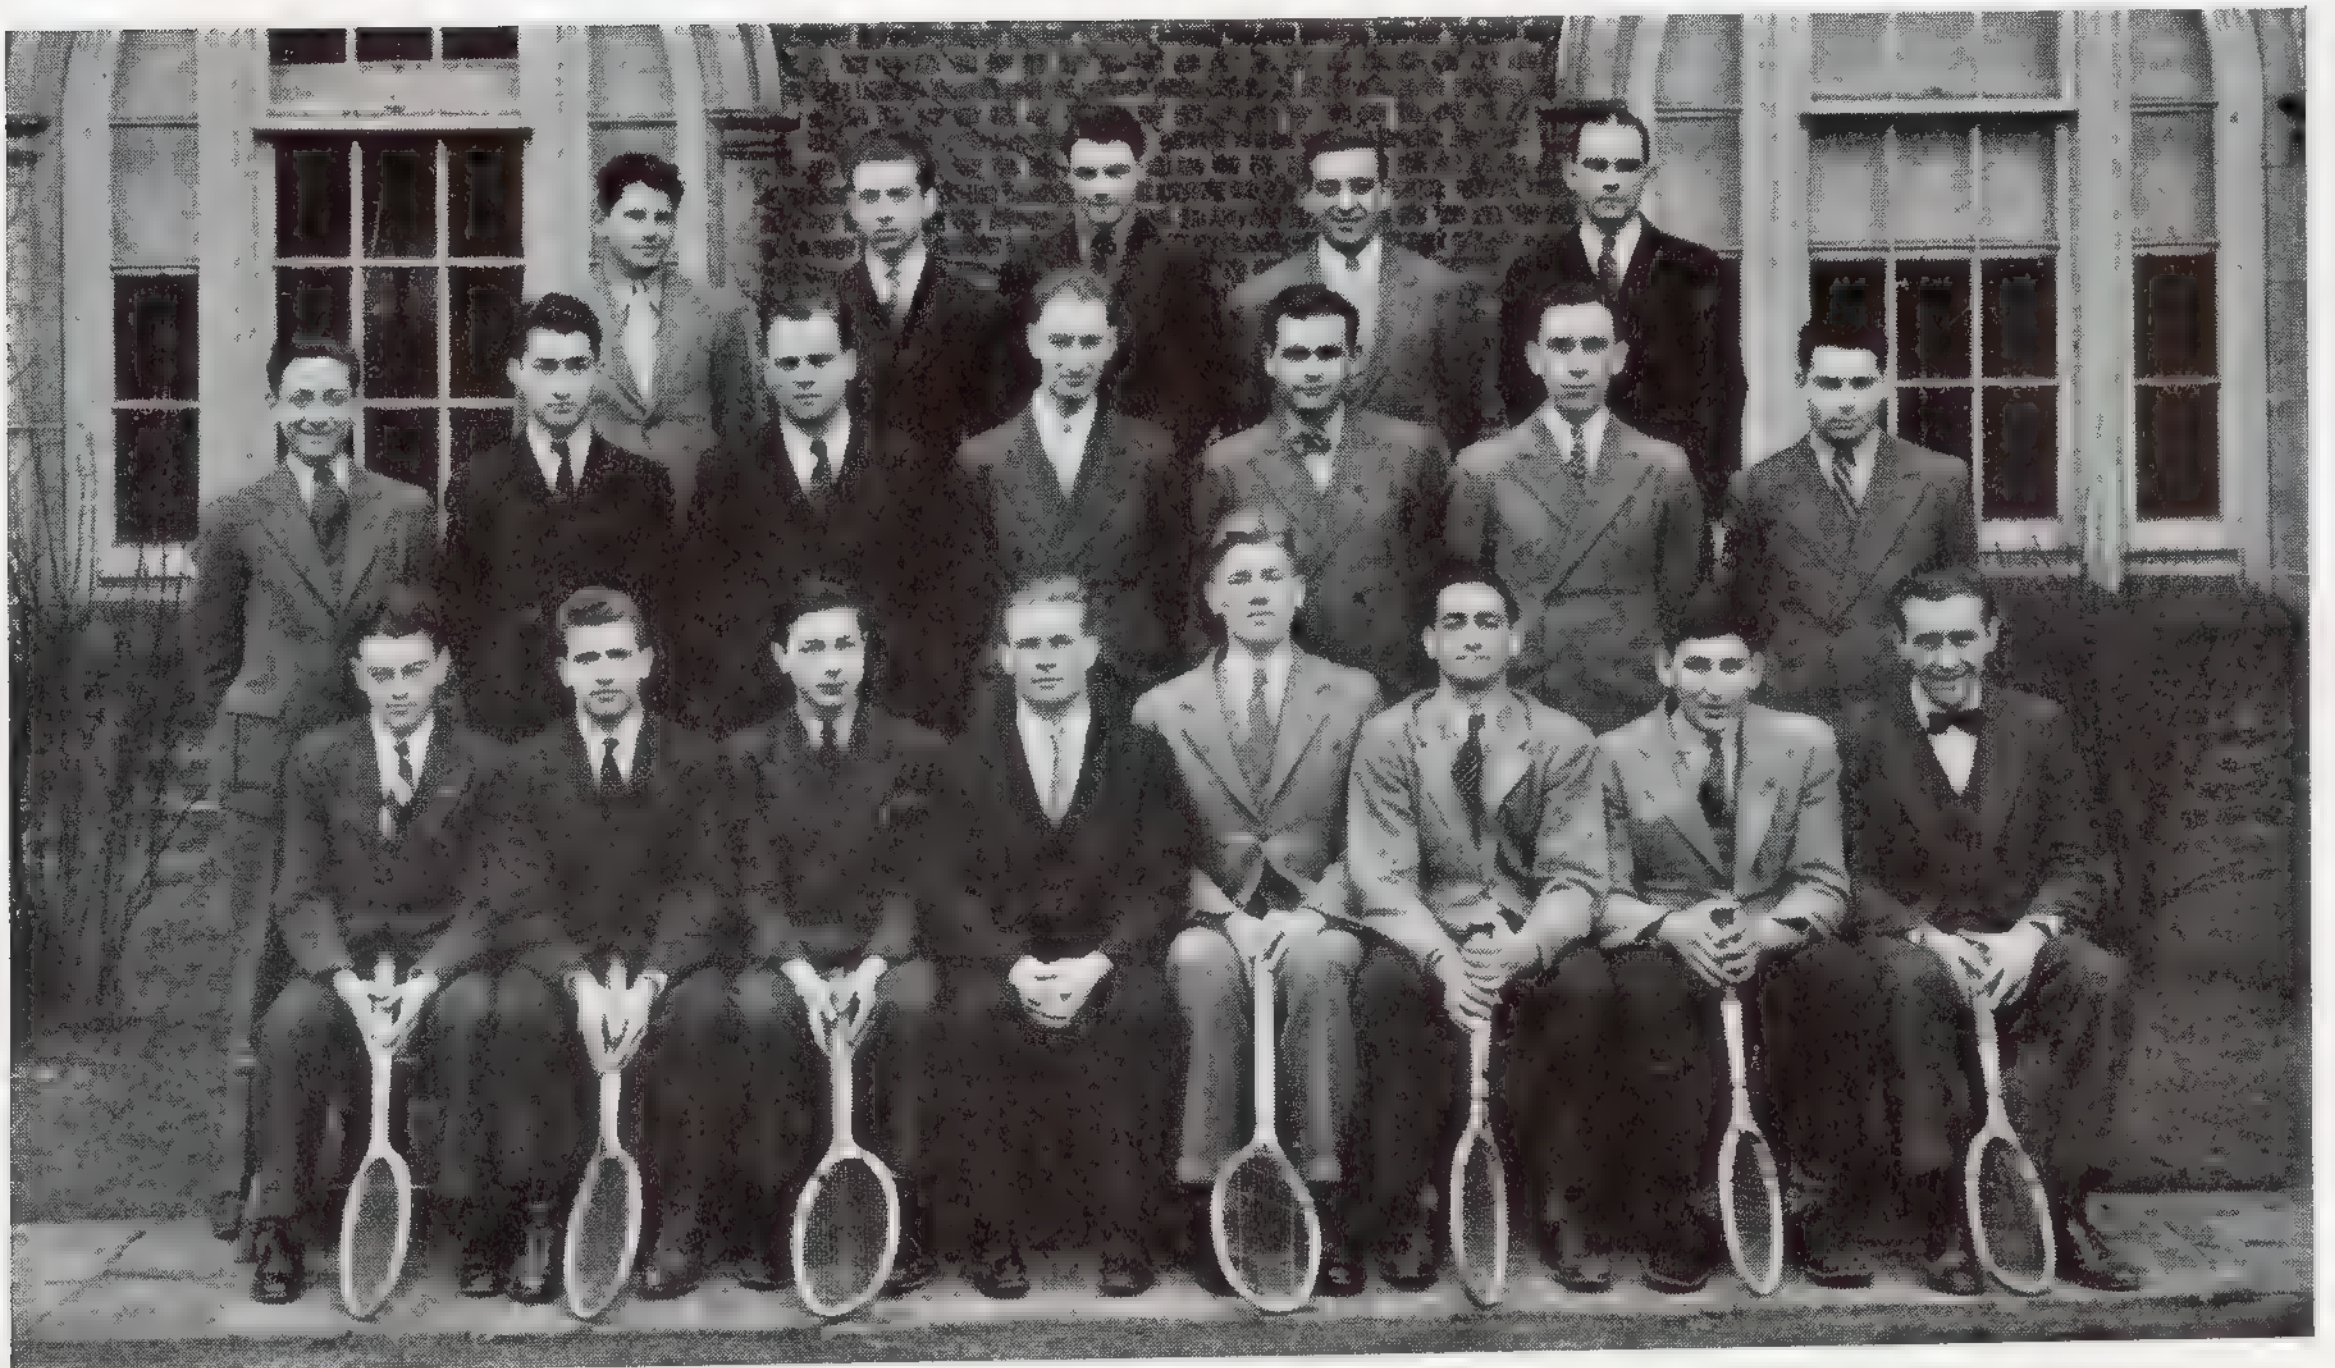

Last season the team went through a schedule of thirteen matches. The season ended with six victories and seven defeats. Sarnowski and Saul Marion established a record for winning in "doubles". They came out at the long end of the score no less than ten times.

Those lost via graduation included George Weinik, Phil Goldberg, Nick Fiore, Ford Sheppard, Howard Junker, and Charlie Fischer.

Coach Willard E. Zweidinger scheduled only ten matches against some of the stronger teams of the east. This year's season included a long practice period.

The team encountered East Stroudsburg, Jersey City, Montclair, Rutgers College of Pharmacy, Rider, Moravian, Panzer, Springfield, and Trenton.

The other candidates who tried out for the team included Bob McKenna, Leonard Hines, Harry Seigel, Burt Levison, and Abner Benisch. Saul Marion is the lone graduating member of the squad.

FINE QUALITY PRINTING is
nowhere so essential as in
school and college an-
nuals. The story told by
copy is worthless unless
the printed pages provide
eloquent testimony of its
truthful reproduction of
campus life.

- Production of distinctive
printing depends upon the
masterful handling of such
technicalities as layout,
artwork, make-ready, and
presswork, and also upon
the selection of proper ink,
paper and binding.
- Consistently good print-
ing has made the Colyer
organization the first
and last choice of the lead-
ing schools and colleges.
